### EXAMINER'S AMENDMENT

Claims 1, 2, 5 and 9-17 have been canceled previously.

A Notice of Appeal was filed in this application on November 22, 2004. No Appeal Brief was subsequently filed by Applicant and the period for response expired June 20, 2005, subsequent to the filing of a request for an extension of time. At the time that the period for response expired, claims 6-8 were indicated as being in condition for allowance.

Applicant's response filed February 17, 2004 placed claims 6-8 prima facie in condition for allowance based upon the prosecution record at that time. However, subsequent review has determined that issues were present in the claims that were not previously brought to Applicant's attention. In lieu of reopening prosecution, the following Examiner's amendment is entered.

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michelle Lewis on July 8, 2005.

The application has been amended as follows:

#### IN THE CLAIMS:

Claims 3, 4 and 18 have been canceled.

In claim 6, the phrase -- of SEQ ID NO: 1-- has been added to the end of the claim.

In claim 8, line 1, the term --or polypeptide-- has been inserted after the recitation of "The peptide".
